MEETING AGENDA AMENDMENTS AFTER THE MEETING HAS STARTED PROCESS

Meeting Agenda Amendment — No Final Action to Be Taken:

After the meeting has started, the Board may amend the agenda upon a motion that states: (1) the reason for the amendment; and (2) the good-faith reason the agenda item was not included in the original posted agenda. The motion should identify the item being added and its placement on the agenda. The motion shall be seconded and acted upon by the Board, and the motion and disposition shall be reflected in the minutes.

Meeting Agenda Amendment — Final Action to Be Taken:

If an agenda item is added after the meeting has started, the Board may not take final action on the added item unless an emergency is declared that necessitates action at that meeting.

The motion to amend the agenda shall state: (1) the reason for the amendment; and (2) the good-faith reason the agenda item was not included in the original posted agenda. If final action is to be taken, the Board must also declare the emergency and state the facts and circumstances justifying the emergency.

An emergency is a situation involving injury or damage to persons or property, or immediate financial loss, or the likelihood of such injury, damage, or loss, when compliance with the applicable notice requirements would make notice impracticable or increase the likelihood or severity of such injury, damage, or loss.

9. Executive Session

ACTION ITEM

Executive Session under Idaho Code § 74-206 (1) may be held if determined necessary by the Commissioners. An executive session, at which members of the public are excluded, may be held. The following are the purposes for which the Commissioners may convene into an executive session under Idaho Open Meeting Law.

- (a) To consider hiring a public officer, employee, staff member, or individual agent, wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. This paragraph does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general.
- (b) To consider the evaluation, dismissal, or discipline of, or to hear complaints or charges brought against, a public officer, employee, staff member, or individual agent;
- (c) To acquire an interest in real property which is not owned by a public agency;
- (d) To consider records that are exempt from disclosure as provided in chapter 1, title 74, Idaho Code;
- (e) To consider preliminary negotiations involving matters of trade or commerce in which the governing body is in competition with governing bodies in other states or nations;
- (f) To communicate with legal counsel for the public agency to discuss the legal ramifications of legal options for pending litigation, or controversies not yet being litigated but are imminently likely to be litigated. The mere presence of legal counsel at an executive session does not satisfy this requirement.
- (i) To engage in communications with a representative of the public agency's risk manager or insurance provider to discuss the adjustment of a pending claim or prevention of a claim imminently likely to be filed. The mere presence of a representative of the public agency's risk manager or insurance provider at an executive session does not satisfy this requirement.
- (j) To consider labor contract matters authorized under section 74-206A (1) (a) and (b), Idaho Code.

Motion to include a designation of those to be in attendance during the executive session, followed by a roll call vote.
